Arctic Exhibition 2022 - Chairmans message

As leader of the 12th Arctic Exhibition it is a great pleasure for me to thank you all photo friends around the world again, for having done this world's northernmost salon to a big success!

This years selection of pictures is holding a level of quality above the expected. That's of course made possible by all the stunning photographs that you all have sent to us!

Thank you all so much and take care! Stay healthy and make new wonderful photos from your all over the world!

To make this salon a reality, I have had many talented employees with me, and they have done a fantastic job. I am grateful and full of admiration for their efforts.

I must also comment the fantastic judges who conducted the evaluation of all images with great conscience.

Congratulations to you all for fantastic results and stunning photos!

We can tell you that we host one or two new salons in 2023!

Stay tuned on www.arcticexhibition.no and www.lofotenexhibition.no for more information, and of course, we will send information to each of you on email.

Thanks all photo friends!
With best regards,

Olav-Inge Alfheim

Atle Sveen I am a hobby photographer, age 43 and living in the central part of Norway. Since young age I`ve always enjoyed being creative. It started with drawings and a lot of lego-bricks, and it wasn` t until I was about 20 years old that I started to pick up

pho-tography. As a freelance-journalist for the local news-paper I had to buy a reliable SLR-camera and lens. Although I never ended up being a journalist, the pho-tography stuck with me, and I signed up a member-ship in the local photography-club. Always being a

competitive person I found my way into international exhibitions and salons in 2013. A few acceptances and suddenly an award made me even more eager, wanting me to push on and evolve. The last years my favourite subjects to photograph has been nature and wildlife, but also fine-art-nudes.

Always having a lot of ideas for future photos and projects, I am certain that my best photographs are yet to be captured. Chasing awards and distinctions along the way is a motivator, and a way for me to get to show my works alongside all the talented photographers around the world.
